WINNIPEG, Jan. 18.

The Dominion Parliament will meet on May 7th.

F. W. Colclough, the defeated opposition candidate for St. Andrew's has been arrested, charged with making false declarations with a view to manufacturing votes in the late contest. This action follows as the result of protests having been entered against all the ministerial members with the exception of one or two, and the serving of writs upon Lauriere for 21 charges of personal bribery.

Political parties in the east are actively organizing for the approaching campaign. Hon. Thomas White is to be the chief organizer of the Conservative party and pay particular attention to the Northwest and British Columbia.

Sir Charles Tupper has not yet returned, but is expected at the end of this week.

Sir Donald A. Smith is expected about the same time.

Many nominations are being daily made. Russell Conservatives have nominated Mackintosh, the late member for Ottawa. The Liberals in Inverness have nominated ex-Premier Phipps. S. H. Blake and Mayor Howland will probably contest Toronto as Temperance Reform candidates. Rykert will again contest Lincoln. Christie, of Brandon, will probably receive the Liberal nomination for Selkirk, in opposition to Daly. P. A. MacArthur, Liberal, will be opposed by Smith and Ross, Independents, in Ligar. No party nominations have taken place in Winnipeg. Sir Donald A. Smith will be supported by wings of both parties in consideration of disallowance being abandoned. A large portion of Liberals support Hugh Southland and a large element of Conservatives Duncan MacArthur.

James Ross, of Moosejaw, has retired from the candidature in opposition to Mr. Davin.

The Cabinet has passed an Order in Council directing that nominations take place in Chicomoutli and Saugunay on the 12th prox, and polling take place on the same day as other elections.

British Columbia elections take place on the 15th March.

St. Paul ice carnival was a great success.

Continued delay of trains in eastern Canada and United States on account of a severe snow storm.

A committee of the United States Senate has reported in favor of reprisals against Canada for seizures in connection with the fisheries, by prohibiting Canadian vessels from entering United States ports. It also reported in opposition to reciprocity.

Cyr, ex-M. P. P., will contest Provencher against Royal.

The following returning officers have been appointed for Manitoba and the Northwest—Ligar, Thomas Sinclair; Marquette, J. J. Setter; Provencher, Joseph Lemay; Selkirk, Robert Rogers; Winnipeg, G. H. Ham; Calgary, J. E. Sitzer; Regina, Dixie Watson.

Winnipeg, Jan. 21.

Nominations in the Territories will take place on the 15th February and polling on 15th March.

CONCERT.

The first of a series of Literary and Musical entertainments was held in St. Paul's Church on Friday evening last. A good programme was furnished. The audience was large and appreciative. Rev. Dr. Jardine occupied the chair, and opened the proceedings with a short address. Following was the programme: Reading, W. V. MacLise; song, Mrs. Sprout; reading, Mr. McTaggart; song, Miss Mackenzie; reading, T. N. Campbell; duet, song, Misses Sprout and Hay; song, J. L. Johnson; instrumental, on piano, Mrs. Porter; song, Mrs. McCall; reading, A. H. Clarke; song, T. G. Parker. Mrs. Porter and Mr. Cann very kindly and acceptably played the accompaniments.

"Vick's Floral Guide" for 1887, ever beautiful as the flowers themselves, and full of practical information to both amateur and professional gardeners, arrived by last mail. The title illustration is a bunch of pansies, and the pages in color of Border and Bedding Plants, are equalled by any chromo-lithographs we have ever seen, while the hundreds of other illustrations of flowers and vegetable tables are true to nature. It is by far the handsomest seed catalogue in America, and is a credit to its publisher, James Vick, Seedman, Rochester, N.Y.

NEW BISHOP OF SASKATCHEWAN.

The Venerable Archdeacon Pinkham, who has been appointed Bishop of Saskatchewan, was born at St. John's, New Foundland, in 1814, and was educated in that city at the Church of England Academy, finishing at St. Augustine College, Canterbury, Eng. On completing his college course he returned to Canada and came direct to Manitoba, having been sent by the Society for the Propagation of the Gospel to the mission of St. James, now within the city limits, arriving there in September, 1863—eighteen years ago. He was ordained in Winnipeg in 1866. For thirteen years he was incumbent of St. James, resigning on October 1, 1881, since which time he has been secretary of the synod. In the spring of 1882 he was appointed Archdeacon. He has always taken a leading part in the provincial synod, of which he has been a member ever since its organization in 1874. He is an able and eloquent preacher, and always able to command the attention of his hearers. He has always been deeply interested in educational matters, and a great worker in the cause, and held the position of superintendent from 1871 to 1883, when he resigned, in order to be able to devote the whole of his time to the work of Archdeacon of the Synod. He, however, still represents the Board of Education on the council of the University, and is member of the board of studies of the University. In 1881 he was sent by the Board of Education to visit the educational institutions of eastern Canada, to inspect the system of secondary education and training of teachers, and the development of the excellent system now here, is mainly due from his report of observations then made. It will be some time before His Lordship Bishop Pinkham will arrive in Prince Albert.

TOWN COUNCIL.

The first meeting of the Second Council of the town of Prince Albert took place in the Council Chamber on Monday evening last.

Present—Mayor MacArthur, and Councillors Bain, Stewart, Agnew and Bratnaber.

Each member handed in his oath of qualification and his declaration and took his seat.

His Worship the Mayor, previous to the commencement of the year's business, made a few complimentary remarks to the members, and expressed the hope that all their deliberations would be amicable and in the interests of the town. He then referred to matters that he thought it would be well for the present Council to consider. He first referred to the necessity of procuring a good fire engine, with sufficient hose and other necessary appliances. He next alluded to the large trade to the north of the river, and expressed it as his belief that it would be in the interests of the town to adopt some scheme to place a ferry across the river. He also referred to railway connection and expressed it as his conviction that it would be well to see if some arrangements could not be made by which the M. N. W. Railway (the only road at present likely to come here) could not be induced to make this place its terminus. He also believed that the Agricultural Society should be encouraged, and that it should receive some substantial aid. Lastly, he referred to the P. A. C. band, and believed it should be aided in some tangible way. At present these were the most important matters he thought of, and which he recommended to their careful consideration.

Coun. Bratnaber gave notice that at the next meeting he would introduce a by-law for the appointment of Treasurer, Assessor, Collector, Auditor, Roadviewer, Poundkeeper and Constable.

Moved by Coun. Bain, seconded by Coun. Agnew, that J. F. A. Stull be Clerk for this Council. Carried.

On motion of Coun. Stewart and Agnew the Council adjourned to meet on Monday, 24th inst., at 1:30.

The Count de Dory, of Hun's Valley, was married by the Rev. Mr. Murray, on Wednesday last, to Miss Still, at her residence near Neepawa. Our matrimonial correspondent clips the foregoing from the Winnipeg *Manitoba* of Jan. 6th. As Miss Still was a lady well known, and who made many friends, here, we are sure they will join with us in wishing her a very long life with every happiness.

CONVENTION.

The Liberal Conservative Delegates Unanimously Nominated D. H. Macdowall.

At two o'clock this afternoon delegates from the various Liberal Conservative Associations throughout the Prince Albert District assembled in the Hall over Betts & Gwynne's store, for the purpose of nominating a candidate to contest Saskatchewan in the interests of the Liberal Conservative party.

The following delegates were present: Angus Cameron, Forks of Road; Henry V. Halpin, Colleton; Andrew Spencer, St. Andrew's; James Hovey, McDougall Settlement; B. Brewster, Puckham; W. F. Myers, Carrot River; H. L. Loucks, Loucks Settlement; John C. McNiven, Ridge and St. Catharines; Hugh A. Bain, T. J. Agnew, T. N. Campbell, Thos. E. Baker, R. J. Pritchard, John A. Macdonald, W. R. Gunn, Prince Albert.

On motion Mr. B. Brewster took the chair and T. N. Campbell acted as Secretary.

Dr. Bain, President of the Prince Albert Association, explained the object of the convention. He read letters from Hon. Lawrence Clarke, O. E. Hughes, M. N. W. C., and Thos. McKay, Esq., which had been sent to him as President of the Prince Albert Association, in which these gentlemen declined to accept the nomination, but promised to support the Government candidate.

The delegates then referred to the work done in their several districts, and the general sentiment of the people of the district proved to be in favor of supporting the present Government.

It was then moved by Mr. A. Spence, of St. Andrew's, seconded by Mr. Wm. Craig, of St. Catharines,

"That this convention of delegates, appointed by supporters of the present Government in the various sections of the District of Prince Albert, do request D. H. Macdowall, Esq., to contest said District in the interests of the present Government of the Dominion, at the approaching election of a representative in the House of Commons, and that the said delegates pledge themselves to use every legitimate means in their power to secure his election as the first representative of said District."

On the motion being put to the meeting it was unanimously carried.

Dr. Bain then moved, seconded by W. R. Gunn, that Messrs. Betts and Peterson be a deputation to wait upon and invite Mr. Macdowall into the committee room, when the nomination signed by all the delegates present, was tendered him, to which request he gave the following written reply:

To the Conservative Delegates in Convention Assembled.

GENTLEMEN—In replying to your request that I should contest the District of Saskatchewan in the Conservative interest at the coming elections for the Dominion Parliament, I feel deeply the honor you have done me, and while accepting the nomination you have spontaneously offered me, I pledge myself, should I be elected, to work to the best of my ability in the interests of the District of Saskatchewan, in which my own interests so largely lie.

I am, gentlemen,  
Your obt. servant,  
D. H. MACDOWALL.

Mr. Macdowall was then invited into the hall, on entering which he was enthusiastically received by the delegates. He briefly addressed the convention, thanking them for their very kind reception and the honor they had done him in selecting him as their standard bearer, and expressed it as his determination to carry it to victory.

The convention then adjourned, after cheers for the Queen, Sir John, and Mr. Macdowall.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? I have sent at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Beware and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.
